Personal Statement.

Please outline here why you think that you would be an ideal student for TDA6. You may wish to outline why you have selected your chosen subjects, your work ethic, what clubs and societies you are involved with, along with any other attributes that you could bring to our Sixth Form.

The deadline for all applications is **Friday 18th December** . Please return to the Post 16 office.

All applications will be considered by the senior leadership team.

You will be invited to an interview and advised in writing by March 2021 as to the success of your application.
