Dear parent/carer

Re: Full Reopening Update

I hope you are well and had an enjoyable and safe February half term break. I am writing to you following the Prime Minister's announcement, yesterday, that schools should fully reopen from Monday 8 March 2021. My team and I are currently reviewing the guidance, that the government have provided, and are developing plans to ensure that we can open safely.

I will be in touch early next week with full details of our full reopening plans including details of how we intend to implement on-site Lateral Flow COVID 19 testing. It is, however, extremely likely that we will take a phased approach to full reopening starting with examination groups.

The government guidance can be found at

Thank you for your ongoing support as we navigate the challenges of the COVID pandemic.

Kind regards

Mr Ged Rae
