

12 July 2021

Dear parent/carer

Re: TDA PE kit

We write to you to share the outcome of a recent consultation on proposed changes to the Academy PE kit. All of the feedback received was extremely useful in helping us determine the best course of action in this process that is aimed at improving the quality of kit and professionalism of our uniform overall.

Based on feedback from parents of students currently at the Academy, a plain navy top with embroidered TDA logo priced at £10.50 will become the **mandatory item** in our PE kit. This new PE t-shirt will be available for you to order directly from A Game Sports at <https://shop.agamesports.co.uk/collections/dukeries-academy>. **This new navy PE t-shirt must be purchased ready for September 2021. To guarantee delivery for September, orders must be placed by 31st July.** Orders can still be placed after this date but delivery will not be guaranteed for September.

All other PE kit items listed below are **optional** and can be sourced from retailers of your choice, but we strongly encourage you to purchase from A Game as the kit **must match the criteria of the A Game Sports Range**. These items include:

- Plain navy shorts, tracksuit bottoms or sports leggings (whichever is most suitable)
- Navy hooded jumper with embroidered Dukeries logo, available **ONLY** at A Game Sports (**no other outer layers will be permitted**)

You will also be able to purchase some of the optional items for a discount, as part of a bundle, if this is of interest to you.

If your child is in receipt of pupil premium, please contact the Academy office if you require support with funding the new mandatory PE t-shirt.

All of us at the Academy are looking forward to working with you and your child as we move from Good to Great by continuing to raise standards at our Academy, and this includes our uniform.

Yours sincerely

Mr Matt Snowden
SSL PE

Mrs Amanda Walker
Leader of KS3/5 PE
