

1 July 2021

Dear parent/carer

Re; Virtual Transition Update

Next week, we are arranging a series of visits to your child's Primary Academy to deliver Transition sessions led by our expert teachers. As part of this, your child will experience lessons in Science and Modern Foreign Languages, to give them a taster of life here at TDA.

At the end of the week, your child will take part in the TDA Big Assembly, a Virtual Event including student performances, a presentation from our Principal, Ged Rae, and an introduction to some of our current students in Year 7 and in the Sixth Form. We are committed to ensuring that your child experiences a high-quality offer next week, despite the challenges posed by the pandemic.

I have attached an overview of our visits next week, so that you can see when your child's visit will take place, along with the Big Assembly.

Once the government have confirmed arrangements on 19 July for the removal of restrictions our intention is to hold a Parents' Event for families of our new Year 7 cohort later that month. I will write to you in due course to confirm these details, along with an update on our Summer School offer.

Kind regards

Mr Mike Brett
Assistant Principal
