

Peer Abuse and Sexual Harassment Student Survey

This survey has been designed to investigate the predominance of sexual harassment among young people. The results will be entirely anonymous and will help us to revise our policies and support all students in the best ways possible. If you are worried about anything that has happened to you or a friend please speak to a member of staff, a trusted adult or use the contact links provided at the end of this survey.

Please answer the questions honestly and from your own point of view.

12. If you answered 'no' or 'not sure' to the previous question please tick why you would not always report it

I don't think it would be taken seriously

It wouldn't get sorted anyway

I might get called a snitch

Its embarrassing to talk about with teachers

I wouldn't want school to contact my parents

I might get bullied

Its just not that important
