

9 February 2022

Dear parent/carers

Year 11 Mock Examinations

Year 11 students will sit their second set of mock examinations for this year from Monday 28 February – Wednesday 9 March. MFL mock speaking examinations will take place on Friday 11 March.

To support your child in preparing for their mock examinations, I have enclosed a copy of our mock examination timetable. Students will receive a personalised copy of their timetable, indicating their seat numbers, following the February half term.

It is crucial that your child is in school for all assessments, unless they have tested positive for Covid on a lateral flow or PCR test. These assessments will give your child an indication of their current progress, and will inform the Academy of what further support is required to fully prepare them for their final examinations in the summer term 2022.

Each subject will share mock examination topic lists via Class Charts to support students with their revision.

As with the last mock examinations, schools are being asked to collate evidence during this academic year that could be used should we find ourselves in the position of exams being cancelled nationally. The DfE and Ofqual say assessments that take place over the course of the year already – such as coursework and mocks – will make up the evidence base wherever possible. With this in mind, students should ensure that they commit fully to their mock examination process as the results from these may be used should such a circumstance arise.

I would like to thank you for your ongoing support.

Yours sincerely

Miss Lindsey Maycock
Standards and Progress Leader KS4
