My name is Mrs Else and I am an English teacher. I am really excited to be joining The Dukeries Academy in September! The things I love to do most are to curl up with a good book or enjoy a long walk with my husband, two children and my labrador.

I hope you have a lovely end of year 6 and summer break. I can't wait to meet you all in September. I look forward to hearing all about your interests!

Hello Year 7! I'm Mrs Young and I'm the Subject Specialist Leader for Music at The Dukeries Academy. I will actually be starting at The Dukeries on the same day as you! I am looking forward to learning about life in school alongside you.

Being a Music teacher, I enjoy making music in lots of ways, including playing in orchestras, singing in bands and on the stage in musical theatre productions and shows. I am a bit of an amateur runner (but I'm still not very good!) and I enjoy horse riding too.

I'm really looking forward to meeting you all and getting to know you as we start our Dukeries journey together!

Hi there! My name is Miss Dodman. I am a teacher joining The Dukeries Academy in September so I will be in the same boat as all of you; new to the school and just a little nervous! I have been a Science teacher at an Academy in Greater Manchester for the past 4 years and cannot wait to get stuck into life down here. I absolutely love Science, but outside of school I have a horse and three dogs. If you want to know lots of interesting facts about different animals, they are my passion so you can ask me! I also love reading; my favourite book is Becoming Wild by Carl Safina. I really can't wait to meet you all in September, and rest assured, any worries you have about starting at The Dukeries Academy will go away quickly once you are here. I am excited to start this journey as your coach. Have an amazing summer and see you in school!

Hello! My name is Mrs Thompson and I will be one of the year 7 coaches for next year. I am super excited to help you find your feet during your first year here at The Dukeries and watching you blossom and grow!

I have worked at The Dukeries for five years now, and have taught many things including History, English and Music but my real love and passion is Drama! I love being able to teach Drama and teach you the key skills you need to grow into mature, thoughtful young adults. In addition, the trips and the school shows are pretty fun!

See you very soon!
