Dear parent/carers

Re: Wellbeing Audit

With the support of the Mental Health Support Team, we are undertaking an audit of wellbeing in the Academy. Further information about the survey can be found by clicking on the following link:

<https://www.corc.uk.net/outcome-experience-measures/me-and-my-feelings-mmf/>

As you are aware the COVID pandemic has impacted the whole of the nation, and we want to be proactive as an Academy to ensure that any wellbeing needs are addressed as early as possible to ensure that our students can have the best possible outcomes.

Following the completion of this questionnaire, it may be appropriate to discuss avenues of support for your child. It may also highlight any areas within the Academy that we can target to promote health and wellbeing.

All students will complete the questionnaire during coaching time week beginning 12 December 2022.

We hope you can support this request, however, If you **do not** wish your child to take part in the survey please return the reply slip below by 9 December 2022.

If you require any further information or have any questions, please do not hesitate to contact me taryn.hughes@attrust.org.uk.

Kind regards

T Hughes
