# 1 | Introduction

- 1.1 We are committed to providing education of the highest quality to our pupils. Attendance is everyone's responsibility. We recognise the clear link between attendance and the attainment of pupils. The aim of this policy is therefore to encourage the highest possible levels of attendance for individuals, groups and the pupil body as a whole. To achieve this, all members of our academy community have an important contribution to make.
- 1.2 We are committed to taking positive action in the light of the Equality Act (2010) regarding the needs of people with protected characteristics. These are age, disability, pregnancy and maternity, religion and belief, race, sex, sexual orientation, gender reassignment and marriage and civil partnership. We continue to make reasonable adjustments to avoid anyone with a protected characteristic being placed at a disadvantage. Our relentless approach to ensuring our pupils attend our academy and receive the education that they deserve and are, indeed entitled to, is central to our values.
- 1.3 We operate on a culture of support and inclusivity. Therefore, we will work with our students and families to reduce the barriers to school attendance. We will offer support and guidance to students and families, in order to encourage regular and punctual attendance.

# 2 | Aims of this Policy

- 2.1 To support excellent levels of attendance for all students to enable fulfilment of their potential at this Academy

# 3 | Key Principles

- 3.4 Some students find it harder than others to attend school. The Academy will work with students, parents and other local partners to remove any barriers to attendance.

- 3.5 Subject to the terms of this policy, any day-to-day attendance issues that parents or students have should be discussed with e.g. class teacher or form tutor. Where more detailed support around attendance is required, parents and students should contact the Attendance Officer.
- 3.6 This policy applies to all students on the Academy's roll. It is acknowledged, however the parents of students of non-compulsory school age, will not be subject to legal repercussions, as outlined in this policy.

4.4 The Senior Attendance Champion (SAC) is listed on our Safeguarding and Child Protection Policy and can be found on our website.

4.5 The SAC will be responsible for the strategic approach to attendance at the Academy and will (includes but is not limited to):

- Offer a clear vision for attendance improvement
- Ensure that the academy is compliant with policy and statutory guidance

- Monitoring attendance data and identifying trends, including for vulnerable groups and pupils
- Ensuring the effective deployment of resources to promote high attendance
- Ensure that key attendance messages are communicated to parents and pupils
- Provide data and reports to support the work of the board of trustees (see below).

### **Parents and Carers**

4.6 It is the legal responsibility of every parent to make sure their child receives that education either by attendance at a school or by education otherwise than at a school. Where parents decide to have their child registered at school, they have an additional legal duty to ensure their child attends that school regularly. This means their child must attend every day that the school is open, except in a small number of allowable circumstances such as being too ill to attend or being given permission for an absence in advance from the school.

4.7 We expect parents and carers to:

- Ensure that their child arrives at the Academy on time, in the correct uniform and with the necessary equipment
- Promote the importance of daily attendance at home
- Follow the correct procedure for reporting the absence of their child from the Academy (see section 6.1 below)
- Avoid unnecessary absences (see 7.2 for examples)
- Keep the Academy informed of any circumstances which may affect their child's attendance

- Not take their child out of education for holidays during term time (see section 6.3 below)
- Inform the Academy in advance of any proposed change of address for their child(ren), along with the name of the parent with whom the child shall live
- Observe and fulfil their responsibilities set out in the guidance issued by the Department for Education: [Summary table of responsibilities for school attendance \(applies from 19 August 2024\)](https://publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/101441/summary-table-of-responsibilities-for-school-attendance-applies-from-19-august-2024.pdf) [publishing.service.gov.uk](https://publishing.service.gov.uk)

#### 4.8 Pupils

We expect pupils to:

- Attend the academy regularly and on time
- Be punctual to all lessons
- Follow the correct procedure if they arrive to the Academy late (See Sections 5 and 6)

## 5 | Registration

- 5.1 The Academy maintains an attendance register and uses this to record each pupil's attendance at the start of the academy day and again in the afternoon. Times of the day are published on each academy's website.
- 5.2 Pupils who arrive after the start of a registration session but before the end of the registration session will be marked as late. Registers will be kept open for no longer than 30 minutes after they opened. Where pupils arrive after the end of a registration session, the process set out at [Section 6](#) applies.
- 5.3 The register is marked using the national attendance and absence codes which can be found in the Department for Education's guidance on attendance - : [Summary table of responsibilities for school attendance \(applies from 19 August 2024\)](https://publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/101441/summary-table-of-responsibilities-for-school-attendance-applies-from-19-august-2024.pdf) [publishing.service.gov.uk](https://publishing.service.gov.uk)
- 5.4 Where a pupil attends a registration session but does not attend subsequent lessons, we will treat this as a truancy and non-attendance matter in accordance with the Behaviour Policy and engage parents where necessary.
- 5.5 Where a pupil is educated offsite, registers must be coded daily to reflect communication from offsite providers. The Academy will make arrangements with the offsite provider, to ensure they communicate daily absences and concerns around attendance, with the Academy.

## 6 | Late Arrival

- 6.1 If a pupil arrives at the Academy after the relevant registration period has ended, they must immediately go to the Academy office to sign in and provide a reason for the lateness. In the absence of a satisfactory explanation, the register will be marked as unauthorised absence.
- 6.2 Persistent lateness (before the register closes) will be treated with a consequence and will be dealt with in line with Behaviour and Attendance policies.
- 6.3 Persistent lateness (after registration closes, both morning and afternoon) will be treated as an absence and will be dealt with in line with the Attendance Policy.

## 7 | Reasons for Absence and How to Report or Request Authorisation

- 7.1 **Authorised Absence** - absence will only be authorised where the Academy has given approval in advance for a pupil to not be in attendance or has accepted an explanation offered afterwards as justification for the absence. Only the Academy can authorise absence.
- 7.2 Illness related absence will only be authorised in line with UK Health Security Agency Guidance or where evidence is provided for exceptional illness ([UK Health Security Agency](#)) Illness may be a physical or mental health issue.
- 7.3 Unauthorised Absence - absence will be marked as unauthorised where the Academy is not satisfied with the reasons given for the absence.
- 7.4 An unauthorised absence is where:
  - The academy considers that the pupil was well enough to attend, but they did not
  - Medical evidence is not provided for an illness absence of 5 days or more
  - Medical evidence is not provided for a pupil at a level of persistent absence
  - Absence immediately before or after a period of school holiday may not be routinely authorised
  - Medical evidence is not provided where there is a regular pattern to illness absence
  - The academy considers that the absence was not unavoidable or exceptional
  - Medical appointments may not be authorised, if taken during the academy day

- If the academy considers that the pupil could have attended for part of the day but is absent for the whole day a proportionate unauthorised absence will be applied
- A leave of absence request is declined but still taken (this includes holidays in term time)
- If the academy has reasonable grounds or obtains evidence to suggest that information has been falsified when giving reasons for absence, then the academy may unauthorise the absence.

#### **Reporting absence from the academy**

**7.5** Where a pupil is to be absent from the Academy without prior permission, the parent/carer should inform the Academy by telephone on the morning of the day of the first absence and let the Academy know when they expect the pupil to return. If the return date is not confirmed on the first day of absence, parents/carers must contact the Academy on each day of absence.

**7.6** In cases of prolonged absence due to illness, the parents/cares may be asked to provide the Academy with medical evidence, such as an appointment slip, text or prescription. If this evidence is not provided, the absence may be marked as unauthorised.

#### **Appointments**

**7.7** Medical, dental and other essential appointments for a pupil should take place outside of academy hours where this is reasonably possible.

**7.8** Where an appointment must take place during school time, the pupil should attend the Academy for as much of the day as possible and as much prior notice as possible should be given to the Attendance Officer.

**7.9** For the time absent from the Academy to be marked as an authorised, confirmation of the appointment by way of an appointment card or letter must be provided.

#### **Leave of absence**

**7.10** The Academy will grant permission for a pupil to be absent from school in the circumstances described in paragraph 37 of the DFE attendance Guidance, which can be summarised as follows:

- taking part in a regulated performance or employment abroad
- attendance at an interview for entry into another educational setting or future employment
- study leave for public examinations
- temporary, time-limited part-time timetable
- other exceptional circumstances

**7.11** Parents and carers will not take pupils out of education for holidays or other extended leave during term time. Principals will not authorise term time holidays.

- 7.12 To request a leave of absence, parents/carers must make the request in advance (see [Appendix 3](#)) and in writing addressed to the Principal and, wherever possible, at least 4 school weeks ahead of the planned leave.
- 7.13 Where a leave of absence is requested as above, the Principal will consider the specific facts and circumstances relating to the request (see [Appendix 4](#)). The decision:
- Will be confirmed in writing
  - Is solely at the Principal's discretion and is final.
- 7.14 Where permission is granted, the Principal will confirm the number of days and dates of absence which are authorised.
- 7.15 If permission is not granted and the parents/carers proceed to take their child out of the Academy, the absence will be marked as unauthorised and parents may be issued with a penalty notice or be subject to prosecution by the local authority (see [Section 7](#) below).
- 7.16 Where a pupil has persistent absence, or where the leave of absence will make them persistently absent, leave of absence will not be granted.
- 7.17 Where a pupil fails to return to the academy after an agreed leave of absence, it will be recorded as unauthorised absence. A Fixed penalty notice will be requested and parents may be reported to the Local Authority and may potentially lose their place at school.

#### **Religious Observance**

- 7.18 We recognise that pupils of certain faiths may need to participate in days of religious observance. Where a day of religious observance falls during school time. The absence from the Academy will be authorised. Please see [Appendix 4](#) for the extenuating circumstances for leave of absence, for more details.
- 7.19 We ask that parents/carers notify the Academy by writing to the Attendance Officer, 4 weeks in advance where absence is required due to religious observance.

#### **Culture of Inclusivity and Support**

- 7.20 Where a pupil has a medical condition (physical or mental health related), a disability, a special educational need or indeed any other factor which may present a barrier to attendance we uphold our expectation of high attendance. We endeavour to work with these pupils and their families, taking into account their individual needs, in order to make reasonable and supportive adjustments to facilitate high attendance.
- 7.21 Where parents are facing challenges in getting their child to attend school they should contact the academy in order to seek support and resolve any potential underlying issues so that attendance can be improved. Older pupils are encouraged to feel empowered to speak to a trusted adult in the academy, should they have concerns about attending.
- 7.22 Offering bespoke, individual support, encouragement and making reasonable adjustments to facilitate high attendance, for those facing challenges or over coming barriers, is always our priority.

## 8 | Addressing Poor Attendance and Punctuality

- 8.1 The Academy will use data to target attendance improvement efforts to the pupils or groups of pupils who need it most. In doing so, the Academy, led by the DAAL, will:
- Monitor and analyse weekly attendance patterns, proactively using data to identify pupils at risk of poor attendance
  - Provide regular attendance reports to class teachers, form tutors and relevant leaders
  - Identify pupils who need support from wider partners as soon as possible and deliver this support in a targeted manner
  - Conduct thorough analysis of half-termly, termly and fully year data to identify patterns and trends
  - Benchmark Academy attendance data at each level against local, regional and national level
  - Monitor the impact of academy strategies and actions to improve attendance on particular pupils and particular groups
  - Work with the Local Authority and other local partners to identify groups
  - Hold regular meetings with the parents or carers of pupils who the Academy and/or Local Authority consider to be vulnerable
  - Will communicate patterns of absence to appropriate agencies for pupils with a social worker or under the care of the Virtual School.

8.2 The academy will manage unexplained absences as outlined in [Appendix 5](#).

- 8.3 Where absence or punctuality is a cause for concern, for example because there is:
- A pattern of unauthorised absence
  - A question over the reasons provided for a particular absence or late arrival
  - Persistent truancy or lateness

We will contact the parents/carers with a view to working together to support improved attendance and/or punctuality. Further information regarding the strategies employed to support pupils with absence that is a cause for concern, can be found in [Appendix 1 and 2](#).

8.4 In cases where the Academy has been unable to establish a clear reason for absence and/or has welfare concerns about the pupil, a home welfare check may be carried out.

- 8.5 Failure to attend or arrive at lessons on time may also be dealt with using consequences in accordance with the Behaviour and Attendance policies. Likewise, recognition through rewards will be given to pupils who have exceptional levels of attendance or have made significant improvement to their attendance (see Waves of Provision in [Appendix 2](#)).
- 8.6 Absence will be classed as persistent where it falls below 90% across the academic year. Absence at this level is very likely to hinder educational prospects and we expect full parental co-operation and support to urgently address these cases. Intervention steps may include implementation of an attendance action plan, referral to other agencies and/or seeking to put in place a parenting contract.
- 8.7 Where out of academy barriers to attendance are identified, the Academy will signpost and support access to any additional services.
- 8.8 Where parents/carers have failed to ensure that their child of compulsory school age is regularly attending the Academy and wider support in accordance with this policy is not appropriate or effective, we may consider issuing a penalty notice. A penalty notice is a financial penalty (£80 if paid within 21 days, £160 if paid within 28 days) imposed on parents which is intended to change behaviour without the need for criminal prosecution. The fine is applicable to both parents or whomever has parental responsibility, regardless of who they reside with.
- 8.9 When considering whether to issue a penalty notice, we will have regard to:
- The National Framework for penalty notices as set out in paragraphs 175 - 201 of the DfE Attendance Guidance; and
  - The local authority's Code of Conduct for issuing penalty notices.
- 8.10 In the event that a penalty notice is issued but is not paid within 28 days, the Local Authority will decide whether to proceed to prosecution. The local authority also has separate powers to prosecute parents if their child of compulsory school age fails to attend school regularly.

## 9 | Children Missing From Education

- 9.1 Where a pupil has been absent from the academy for a consecutive period of 20 unauthorised academy days or has not returned within 10 days after an authorised leave of absence, the pupil can be reported as a child missing in education and may lose their academy place.
- 9.2 Children who are absent from education for prolonged and or repeated absences will be offered support to prevent them from missing their right to an education.

- 9.3 Children who are regularly absent from school for prolonged or repeated periods of time, will receive regular (at least weekly) safe and well calls including home visits, to ensure the academy maintains contact and continues to maintain a positive working relationship with the student and family.

## 10 | Part-Time Timetables

- 10.1 Placing a pupil on a part time timetable/ phased return may be used as a method to support a pupil transitioning back into the academy after a period of absence. This part time timetable should ideally be for no longer than 6 weeks. A part time timetable will not be used as a method to manage poor behaviour.
